**“Gray Matters” Research Presentation Competition**

This year, we have collaborated with Brain Awareness Week and to put on a research presentation competition! Eight students conducting brain-related research will present their research in an accessible manner and will be judged by an interdisciplinary panel of faculty and community members. Prizes will be awarded to the top 3 presentations. This event has been coordinated in collaboration with the undergraduate Health and Human Performance Program Planning class at Dalhousie University.

**Presenters:**

- **Michelle Berube:** Healing Sounds: An Anthropology of Music Therapy.
- **Kayla Joyce:** Addictive Behaviors across the Menstrual Cycle: A Systematic Review.
- **Alex Pizzo:** Screen time and active leisure time in offspring of parents with severe mental illness.
- **Swasti Arora:** The Evolution of the Attention Network Test: Cross-Cultural, Developmental & ADHD Applications from the ANT Database.
- **Andrea Sandstorm:** Observed Psychopathology in Offspring of Parents with Major Depressive Disorder, Bipolar Disorder and Schizophrenia.
- **Melanie Santhikumar:** Auditory Training for Central Auditory Processing Disorder from mild Traumatic Brain Injury.
- **Jennifer Perret:** Mental and Emotional Health in Veterinarians: Impacts on Client and Patient Care.
- **Allison Flowerdew:** Occupational therapy’s potential to transform post-concussion care: An integrative review.

**4:30pm-5:30pm**

**Panel Discussion and Q&A: Basic Income and Health – “What are the health, economic and social policy implications of implementing a basic income policy in Nova Scotia?”**

Have you ever wondered what it would be like to have a basic income policy in Nova Scotia? A panel of interdisciplinary speakers will discuss the health, economic and social policy implications of implementing a basic income policy in Nova Scotia. Join us for our second panel discussion of the day. Crossroads Conference panels are open to the public!

**Moderator:**

- **Dr. Rebecca Hasdell**

PhD, Ecology Action Centre and Dalhousie Food Policy Fellow, and Adjunct Faculty in the Northern Medical Program at the University of Northern British Columbia
